Dear Athletic Director/Head Boys' Swimming & Diving Coach:

This is an invitation for your school to participate in the **Fountain-Ft. Carson Trojans Boys' Swimming and Diving Invitational**. The meet will take place on Friday, April 27th and Saturday, April 28th, 2018 at Fountain-Fort Carson High School. Included with the contract is full meet information and the event import file needed for entries.

The meet will be conducted in championship format, with swim prelims on Friday and swim finals on Saturday. For the first time, we will be offering both JV and Varsity divisions, to maximize participation. Each team will be allowed unlimited entries per event (subject to each athlete's event limit). Each team will be limited to advancing four (4) scorers to the finals in individual events and two (2) relays per relay event. JV diving will compete in the 6-dive format on Friday night. Varsity diving will compete in the 11-dive format on Saturday morning. All relay events and the 500 freestyle will be conducted as timed finals (one time) with the top 8 JV and top 16 varsity (subject to the 4 individual and 2 relay limit per team) automatically swimming in the finals session on Saturday. For these events, the results of all swims from Friday and Saturday sessions will be combined for placing and scoring.

Pool Specifications: 8 lanes, 25 yards; 1 meter diving board and starting blocks; Daktronics timing system with Daktronics system scoreboard and new Kiefer Wave Eater 2 lane lines.

The meet will be limited to 300 total participating athletes.
